

2020 GO Bond Oversight and Advisory Board Application

The City Council, city staff and I are pleased you are interested in volunteering for the betterment of our community. As Mayor, I understand that citizen input is critical in order for city government to be responsive to the community and accountable to the taxpayer. In an effort to better know our volunteers, I ask that you take a few minutes and complete this short application. This application will be provided to the City Council along with a request to approve your appointment. Thank you for your commitment to keeping Sapulpa a great place to live, work, and play.
