

2020 G.O. BOND SUMMARY

The City of Sapulpa has been very careful to keep our millage rate below 16 mills, while fulfilling the wants and needs expressed by our citizens. Sapulpa is a great community, but to keep it that way we must make improvements. Every community in the area uses G.O. Bonds to make the needed investments in their community, and the information in this brochure is meant to educate our citizens on how this plan will let us keep pace with other communities in the metro area. This plan will incorporate 6 propositions that improve Roads, Public Safety, Economic Development, Parks and City Facilities as well as Beautification. This plan puts us on the Road to a Better Sapulpa!
